

Therapeutic Practitioner (Based at Northam)

Fresh Start Recovery Programme

Therapeutic Practitioner

Join a team dedicated to helping families with addiction. We are a not-for-profit organisation operating with a Christian ethos, offering generous salary packaging in a friendly and supportive working environment.

About the Role

The primary role of this position is to provide a high standard of support that helps residents recover from addiction and transition into the community. The wide ranging duties of this position require the person to be passionate about helping people with addiction in a therapeutic residential program.

Duties

- Providing therapeutic services for individuals and groups in a residential recovery setting.
- Working with clinicians to maintain and implement a recovery plan every resident within a case management framework.
- Providing services within mental health care plan.
- Assisting residents to engage in social and community services.
- Liaising with external health care service providers and support agencies to advocate on behalf of residents.

Skills and Experience

- Experience working in a Therapeutic Community setting
- Experience within the Alcohol and Other Drug (AOD) sector.
- Registration with the appropriate professional association
- Good organisational skills.
- A team player.
- A current Western Australia Driver's Licence.

If you are interested in this position, please send your cover letter and resume through to David Gunter at david.gunter@freshstart.org.au

Only short-listed applicants will be contacted.

Closing date **Friday, 29 January 2021**.
