*Treatment includes surgical consumables and medication including anaesthetic and antibiotics required for detox treatment and surgical implant. Pre and post operation assessment and care, and pathology are bulk billed. Counselling sessions are offered to all WA clients and their families either bulk billed or free of charge.

- If you are not able to pay in full at the time of treatment, a minimum of 20% deposit is required, with a full financial assessment and payment plan to be implemented.
- All medical consultations will be bulk billed where eligible.
- The client is responsible for the cost of their own medication before/after treatment.
- We understand that there are clients who may be experiencing financial hardship.
- A discount of 10% may be offered to clients who can pay the full account prior to treatment.
- We encourage clients to discuss how we may assist them with our financial officer.
