

PARTNERS FOR A FRESH START

Fresh Start is excited to announce a new partnership with Mount Pleasant Baptist Church, affectionately known as "Mounties." This collaboration aims to spark meaningful conversations about addiction and substance use disorder recovery programs, specifically highlighting Fresh Start's role in aiding individuals across Perth and WA.

The partnership began with Pastor Jonathon's outreach to Fresh Start for a speaking engagement, evolving into a strong connection. Mounties' Infuse Cafe actively participated by organizing a fundraising drive for Fresh Start. As word spread about the initiative, inquiries arose about Fresh Start's mission and the prevalence of these issues in the community. Mounties further supported by hosting an annual mission expo, providing Fresh Start and other nonprofits with a platform to share their stories and engage with the community.

Local collaborations, such as this one with Mounties, are invaluable for nonprofits like Fresh Start. These partnerships not only raise awareness but also foster community engagement. We express our deep gratitude to Mounties and similar organizations for their generous support.

Throughout 2023, Mounties demonstrated unwavering support through the Cafe fundraising appeal, the mission expo, and a Christmas Offering Appeal. Their commitment extended beyond providing a platform; they selflessly donated over \$12,000 to enable Fresh Start to continue its vital services. This contribution propels us toward our mission of creating a future free from the effects of addiction and substance use disorders for individuals, their families, and broader communities.
